RICHTLINIEN FÜR DEN ABSTAND ZWISCHEN TRAININGSFLÄCHE UND BEWEGUNGSBEREICH

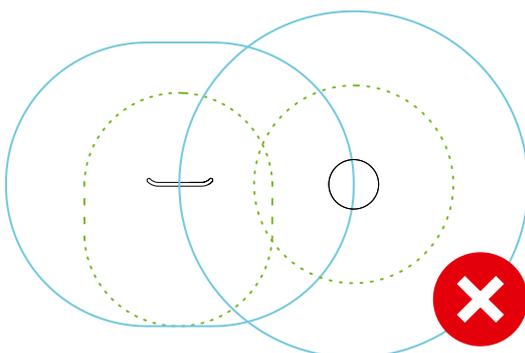

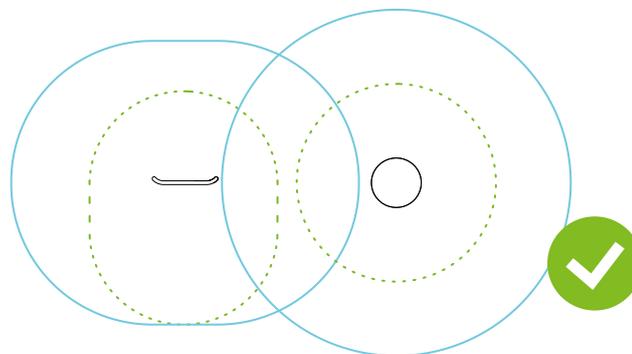

Generell gilt, daß sich die grün gepunkteten Linien - - - nicht überschneiden dürfen. Die durchgezogenen blauen Linien — können sich jedoch sowohl mit den blauen als auch mit den grünen Linien überschneiden, ABER innerhalb des blauen Kreises dürfen sich keine festen oder harten Gegenstände befinden. (Bäume, Steine, andere Fitnessgeräte, usw.)

Beispiele

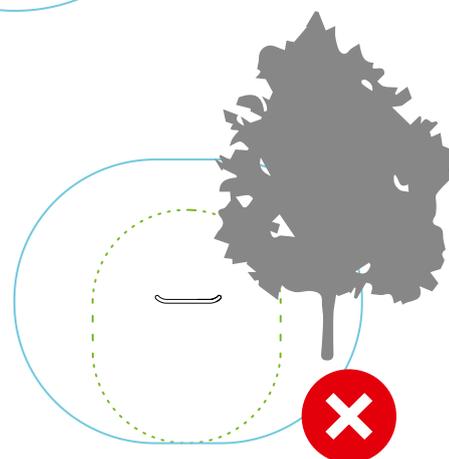

1. Die beiden blauen Linien, die den "Bereich der Bewegung" anzeigen, überschneiden sich

2. Die blauen Linien, die den "Bereich der Bewegung" anzeigen, überschneiden die grünen Linien "Trainingsbereich"

3. Die beiden grünen Linien, die den "Trainingsbereich" anzeigen, überschneiden sich.

4. Ein hartes Objekt, ein Baum, befindet sich innerhalb des blauen Kreises "Bereich der Bewegung"
